

Call for Providers

NOTICE IS HEREBY given that the Ottawa County Commissioners, on behalf of the Ottawa County Department of Job and Family Services, is inviting qualified providers of supervised visitation and exchange services to bid on the provision of those services for the Ottawa County Department of Job and Family Services. Interested and qualified parties should contact the Ottawa County Department of Job and Family Services by September 30, 2010.

Qualifications to provide the services include: Safe, secure and child friendly site; staff with appropriate training in the provision and documentation of supervised visitation and exchanges between children and adult family members; maintenance of appropriate levels of liability insurance; ability to provide written records to the Agency to document outcomes of visitations; ability to schedule and supervise visits at a minimum of six days per week, with supervision of exchanges that may occur on weekends and/or holidays.

If more than one qualified entity is identified, a bidding and selection process will follow for the selection of provider.

By order of:
