Addendum No. 1 to the Contract Documents
for the Riverview Health Care Campus Drainage Improvements Project

From: BEC Associates
6622 West Harbor Rd.
Port Clinton, Ohio 43452
419-898-9200
419-898-2259 (FAX)
becassociates@neohio.twcbe.com

To: All Plan Holders

The following changes, corrections, additions and information are hereby made a part of the Contract Document. Acknowledgment in the form of the attached sheet via FAX or email within 24 hours of receipt of this addendum to BEC Associates is required by all Bidders.

Miscellaneous

1. Addendums: Addendums are to be acknowledged by returning the acknowledgment form to BEC Associates via fax or email within 24 hours of receipt of the addendums and by enclosing a copy of the acknowledgment form with your bid.
2. Construction Layout: Construction layout will be performed by BEC Associates.
3. Excess Excavated Material: Excess excavated material can be placed at the Ottawa County Highway Garage in an area designated by the County Engineer's Representative. The contractor will be required to move the material into a uniform pile as directed by the County Engineer's Representative when placing of the material is completed.
4. Underground Electric Lines: Underground electric lines adjacent to the proposed improvements will be marked. If proposed field tile or underdrains are in conflict with the electric lines the tile or underdrains shall be relocated between the electric line and the pavement if possible. If not, the tile or underdrains shall be placed behind the electric line.
5. Gas Lines: Gas lines should not be a concern in the area where work is to be performed. The County will contact the gas company to locate the gas lines.
6. Work Hours: Work hours shall be the hours of 6:00 AM to 7:00 PM unless special permission is requested prior to the work being performed.
7. Water: The Village of Oak Harbor will provide a meter and a backflow device for water for the project and will bill the Contractor for the water used at the end of the job.
