Fax: (419) 734-6768

From: Ottawa County Engineer's Office  
To: All Plan Holders  
Date: Wednesday 27, 2016  
RE: 2016 Striping of Various County and Township Roads - **Addendum No. 1**

General:

1. **Question** – The bid page references 2013 specifications which is 22 gallons of paint per mile and 12 pounds of beads per gallon. In years past the job has been 2002 specifications, which is 16 gallons of paint per mile and 6 pounds of beads. The 2013 spec is substantially more expensive and it does not appear the estimate is reflected as that spec. Is this an oversight on the bid page?

**Response:** Yes, this was an oversight on the bid page. The 2002 specifications will govern this project.

Place a copy of this notice of Addendum in your bid package as outlined in the last paragraph of the QUESTIONS, INTERPRETATION and ADDENDA section of the bid package.

If you have any questions regarding this addendum please call the Ottawa County Engineer's Office at 419 734-6777.

Sincerely,

Ronald P. Lajti, Jr., PE, PS  
Ottawa County Engineer
