

Ottawa County Engineer's Office

Ronald P. Lajti Jr., P.E., P.S.

Ottawa County Engineer

8247 W. State Route #163
Oak Harbor, Ohio 43449

Phone: (419) 734-6777

Fax: (419) 734-6768

FROM: Ottawa County Engineer's Office and Ottawa Soil & Water Conservation District
DATE: January 19, 2017
SUBJECT: Toussaint Creek Logjam and Selective Tree Removal Project - **Addendum No. 3**

1. Question: What is the smallest tree caliper that is included in the quantity of 5,750 each? Are the remaining trees to be bid under Item #8 Brush Removal?

Response: As per ODOT specification 201, trees under 12" will be considered brush UNLESS specified by site engineer/inspector.

2. Question: Will the County define the quantity of trees to be removed in various Diameter ranges (4" - 12", 12"+ - 24", 24"+ - 30", etc.)?

Response: The engineer/inspector on site will make the determination as to the classification of a tree as a billable unit item as sizes will vary.

Please see the revised proposal (attached). The different tree sizes as per ODOT spec 201 are listed separately. Please note that all quantities are ESTIMATES ONLY and are not guaranteed. The engineer/inspector on site will meet regularly with the contractor to qualify and categorize trees that are removed. Attention to the total contract price will be reviewed as well.

The revised proposal (marked as Addendum #3) is attached and this form MUST be used to submit your bid. Use of the any other proposal bid form may be cause for rejection of your bid.

To confirm receipt of the addendum include a copy of this document with your bid. If you have additional questions please submit them in writing as outlined in **Item 33 in the Instructions to Bidders.**

Sincerely,

Ronald P. Lajti, Jr., P.E., P.S.
Ottawa County Engineer
