Essential Functions of the Position

1. Examines decedent's body for signs of trauma and/or unusual circumstances; verifies post-mortem changes are consistent with the situation and circumstances; relays the absence of any signs of life to Coroner or Deputy Coroner for pronouncement of death.
2. Surveys death scenes; collects information, evidence, blood and bodily fluids, and other items related to the cause or manner of death; photographs body and surrounding conditions, and documents death scenes to preserve the circumstances of the death/scene; requests medical, mental health, and/or employment records; obtains necessary search warrants as directed by prosecutor and/or law enforcement.
3. Interviews family members, physicians, nurses, law enforcement, and EMS to obtain medical history, lifestyle patterns, incident, and other reports related to the case; communicates information to Coroner's staff and administrative staff; works in a professional manner with prosecutor and law enforcement; testifies in court or before grand jury if required; assists with morgue maintenance management.

4. Prepares written reports detailing observations and investigation findings; reviews investigation reports; prepares reports for the Coroner to review and sign; sends autopsy and coroner reports, as requested; completes inventory and proper packaging of decedent's personal valuables for safe return to legal next of kin; gathers controlled substances (prescriptions) of the deceased and maintains inventory and ensures proper disposal; maintains case files; schedules quarterly case review; sends Autopsy, Transport and office supply bills for payment; reviews Hospice cases and prepares for Coroner to sign; maintains stats; enters evidence into system and places in the evidence room.
5. Coordinates with the prosecutor's office and law enforcement, the movement and transportation of the body; under the direction of the Coroner or Deputy coroner, prepares and causes the performance of an autopsy.
6. Manages and supervises all assigned employees (e.g., schedules and assigns tasks; interviews job applicants; recommends the hiring of job applicants; recommends discipline; recommends pay assignments; evaluates performance; receives and adjusts grievances or employee complaints; approves and recommends the approval of leave requests; attends or participates in meetings in which policy questions are reviewed or discussed; develops and implements policy; recommends policy changes; has access to other employees' personnel files; has unlimited access to financial data used in the payroll and benefit budgeting process; has access to financial data used in monitoring department revenue/income, etc.); reviews hours worked for office staff to ensure the hours are correct; approves payroll; releases payroll to the Auditor for payment; ensures that staff certification requirements are up to date.
7. Manages the operations of the Coroner's Office and assumes responsibility for the Office in the absence of the Coroner (e.g., assists with the budget; maintains the Office inventory and orders supplies as necessary; maintains equipment inventory and orders equipment as necessary; maintains accreditation for the Coroner's Office; assists with developing SOG's, etc.).
8. Represent Coroner's office for mandated and assigned review boards.
9. Maintains required licensures, certification, and continuing education requirements, if any.
10. Meets all job safety requirements and all applicable safety standards that pertain to essential functions.
11. Attends staff meetings as assigned.
12. This position is expected to be on call twenty-four (24) hours a day, seven (7) days per week.
